

# HOLIDAY BANNERS

## at City Hall

This year, the City will be offering decorative banners with spaces for sponsors. These banners will help to beautify the City while also providing visibility to small businesses throughout the holiday season.

### As a sponsor, you can expect:

- a beautiful, artful 30"x82" banner with your logo featured prominently;
- to be seen by **thousands of cars** that drive down Taunton Avenue daily;
- to be seen by **hundreds of daily visitors** who frequent the businesses in the area;
- to be featured prominently during the City's **Tree Lighting**;
- to be mentioned and linked on the City's social media platforms.

**NOTE: These banners are for small businesses only.**

To sponsor a banner, scan the QR code and complete the short form.
