

WinterFest 2023

This year, WinterFest will be offering decorative banners with spaces for sponsors. These banners will help to draw attention to WinterFest while also beautifying the Senior Center grounds throughout the holiday season.

As a sponsor, you can expect:

- a beautiful, artful 18"x36" banner with your logo featured prominently;
- to be seen by **thousands of cars** that drive past on Pawtucket and Waterman Avenues;
- to be seen by **hundreds of visitors** who frequent the Senior Center daily;
- to be featured prominently during the celebration of WinterFest--a celebration that draws **over 1000 participants and visitors**, &
- to be mentioned and linked on the City's social media platforms.

12 feet tall

To sponsor a banner, click on the QR code below and complete the short form.
