

WinterFest

Dear WinterFest Tree Sponsors,

We hope this message finds you and your loved ones safe and in good health. Returning Tree Sponsors are invited to participate in East Providence's 12th annual WinterFest! The trees will be placed along the walkway at the EP Senior Center, 610 Waterman Avenue, and will remain illuminated every evening beginning December 3rd, 2022, through January 1, 2023.

Due to the considerable increase in the cost of live trees, we have had to raise the sponsor fee to **\$30**. Thank you in advance for your understanding. We will supply 2 sets of multi-colored lights per tree while you provide your own decorations.

***Trees may be purchased by mailing this application, or in person at the Senior Center, Monday - Friday, 8:00 AM - 4:00 PM.**

***Once your application/payment has been processed, you will be contacted as to when you may come to decorate your tree. All trees will be assigned. Tree sponsors will receive their tree location where their signs and lights will be waiting. Thank you!**

***Please submit your completed form and payment by October 14th, 2022.**
